I (or the entity on whose behalf I am acting) will retain all defenses or objections to the lawsuit or to the jurisdiction or venue of the court except for objections based on a defect in the summons or in the service of the summons.

I understand that a judgment may be entered against me (or the party on whose behalf I am acting) if an answer or motion under Rule 12 is not served upon you within 60 days after June 23, 2008

TITLE

of \_\_\_\_\_

CORPORATE DEFENDANT

**Duty to Avoid Unnecessary Costs of Service of Summons**

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the summons and complaint. A defendant located in the United States who, after being notified of an action and asked by a plaintiff located in the United States to waive service of summons, fails to do so will be required to bear the cost of such service unless good cause be shown to its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the complaint is unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the summons retains all defenses and objections (except any relating to the summons or to the service of the summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

A defendant who waives service must within the time specified on the waiver form serve on the plaintiff's attorney (or unrepresented plaintiff) a response to the complaint and must also file a signed copy of the response with the court. If the answer or motion is not served within this time, a default judgment may be taken against the defendant. By waiving service, a defendant is allowed more time to answer than if the summons had been actually served when the request for waiver of service was received.

On Sept. 16<sup>th</sup> 2005 at 9:30pm while being a detainee in C.C.T. Div. 11 Tier  
AD-Cell Lower 10 I Terrell Jones was in segregation and was out for my hour  
out of my cell along with cells lower 11 & 12. When about 11-14 other inmates  
who had jammed their cell doors to come out unauthorized by officers  
were all in lower 3 cell came out to attack me with "Shanks" These  
are man-made sharpened metal objects from the light fixtures and  
or metal rods taken out of the Chuck Holes of the cell doors. I am  
Fighting for my life. the other inmates from cells 11 & 12, whose names  
are Tyrion Smith and Terrance Scroggins (from cell 12) tried to grab me cause  
I was covered by this mob into the bathroom and shower. They  
also finally got the attention of the officers who were all in  
the hallway out of site including the cop/michas who was working  
over tier. I suffered lacerations and punctured wounds, about my  
arms, head, shoulders and through my left hand. When officers  
thanking and manroe came on the tier all the inmates ran back into  
their cells and started to flush the objects down the toilets for disposal  
as other officers responded I was laying on the floor covered in blood  
and injured but the officers came running in and began  
punching, kicking, and stamping on me. All the while "I'm stating  
(continued to next page)

I'm the Victim" and "I'm injured." Other inmates were yelling out of their cells the same thing. The officers then started yelling stop resisting, but how was it when I had a knee in my neck, my injured arm twisted, Officer Michas standing and stomping on my left hand, Officer Phipps punching me in my face while other officers are pounding about me excessively. Lt. Daltman started to yell, "the nurses are here, nurses here." Then Sgt. Krauskopf started, "yelling Nurse on Deck" repeatedly. All the while I'm saying I can't breathe I'm not resisting, I'm gay sue. The officers saying how much you want counting 1 million, 2 million, as he continued to punch me. The Sgt. Krauskopf had to physically run over and push co/ Diaz, c/o Scott, Phipps, Harris etc. all of them off me. saying the nurses are out there. I was then allowed to be seen by Nurse. Taken to dispensary then to Cermak, then to John Stager County Hospital myself, 3 employees who suffered a fractured wrist or thumb, and 2 of the attackers. But before taken to Cermak I was interviewed by detectives who were trying to convince me I couldn't sue or press charges cause he claims I was out when it wasn't my hour. He checked the officers log sheet but in fact the officer had let cell be fore stay out a 1 hour extra, then let out my cell 10 & 11. Cell 12 were his workers so they were allowed out. I didn't receive a ticket for being out. One week before this A.D. Tier was shook down and searched by officers they found numerous of sharpened and unsharpened metal. Also human doors including broken light fixtures in cells where the metals come from and some ~~more~~. Inmates received tickets. But the lights were not fixed. For further prevention or destruction to get more metal from them.

**V. Relief:**

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

I FEEL that I should be compensated for the mental, emotional  
and physical injury I suffered while in custody.

VI. The plaintiff demands that the case be tried by a jury. ☒ YES ☐ NO
